**INPUT FOR 2021 CAREER AND TECHNICAL EDUCATION
STATE COURSE OF STUDY**

Jackie Zeigler
District I
Vice President

Montgomery, AL – The Career and Technical Education State Courses of Study Committee is requesting written input from interested educators and members of the public regarding the revision of the following three career clusters: Architecture and Construction; Information Technology; and Transportation, Distribution, and Logistics.

Tracie West
District II

Since the process of review and revision has begun, the committees would like to receive written comments concerning the listed standards by March 19, 2021.

Stephanie Bell
District III

The *Alabama Course of Study: Career and Technical Education* career clusters and courses may be viewed by selecting the corresponding links in the Course List with Standards column. Comments may be entered by selecting the corresponding links in the Form for Public Input column.
