Performance on Required Content Knowledge and Pedagogy Tests

To earn an Alabama educator certificate, based on completion of a traditional approach, an applicant must complete an approved program with a prescribed grade point average (GPA) and meet assessment requirements. Prior to September 1, 2018, assessment requirements included a written test of pedagogical knowledge, Principles of Learning and Teaching (PLT), and a Praxis content test specific to the teaching field or subject for which certification is sought. Effective September 1, 2018, edTPA, a performance assessment, replaced the PLT. No exceptions are made with regard to these requirements.

Responses to the First-Year Teacher Survey created by the

Alabama Association of Colleges for Teacher Education

Alabama Association of Colleges for Teacher Education members developed a survey to be administered electronically to first-year teachers who, during the 2017-2018 school year, completed an Alabama State Board of Education-approved undergraduate (Class B) or alternative master's degree (Class A) program leading to their first or initial Professional Educator Certificate. A companion survey was administered electronically to the employers of those first-year teachers. Data provided in this report include a summary of survey categories and the percentage of first-year teachers who strongly agreed, agreed, disagreed, or strongly disagreed that their program prepared them to teach successfully. The data also provide the percentage of employers who rated their first-year teachers as teacher leader, effective teacher, emerging teacher, or ineffective teacher.
