[HTTPS://WWW.FNS.USDA.GOV/SCHOOL-MEALS/UNPAID-MEAL-CHARGES](https://www.fns.usda.gov/school-meals/unpaid-meal-charges)

UNPAID MEAL CHARGE POLICY ~ CON'T

STATE GUIDELINES

- ❑ Meals must always be provided to K-3 students or for any handicapped students (children who are classified by the district's special education representative as a child with a disability) who may be unable to take full responsibility for a meal.
- ❑ A nonpublic fund source must be established to cover any uncollected charges.

UNPAID MEAL CHARGE POLICY ~ CON'T

STATE GUIDELINES

- ❑ Each system or school must maintain documentation to reflect the status of charged meals and transfer of funds should charges remain uncollected by year end (ALSDE does not define whether school year or fiscal year end and USDA allows charges to be carried over to fiscal year end.)
- ❑ If applicable – Should the practice of serving such a (alternative non reimbursable) meal or snack become frequent, the board must make arrangements to reimburse the Child Nutrition Funds.

WORTHLESS CHECK POLICY

STATE GUIDELINES

NATIONAL SCHOOL BREAKFAST AND LUNCH PROGRAMS
On-Site School Review for LEAs

According to 7CFR 210.8(a)(1), every school year, prior to February 1, each School Food Authority (SFA) with more than one school (as defined 7 CFR Part 210.2 to include Residential Child Care Institutions (RCCIs)) must perform no less than one on-site review of the lunch counting and claiming system employed by each school under its jurisdiction.

Each on-site review must ensure the school's claim is based on the counting system, as implemented, and yields the actual number or reimbursable fee, reduced price and paid lunches, respectively, served for each day of operation.

If the review discloses problems with a school's meal counting or claiming procedures, the SFA must ensure that the school implements corrective action and within 45 days of the review conduct a follow-up on-site review to determine that the corrective action resolved the problems.

The Alabama Department of Education Child Nutrition Program State Agency encourages schools to begin reviews in a timely manner in order to meet the required deadline of February 1st. The goal is to review SBP and NSLP in the same day.
