Starting the 2019-2020 diagnostic

- 6. Navigate to the settings panel.
- 7. Select Open Diagnostic to unlock the diagnostic and respond to questions.

Using last year's technology plan

You may copy and paste information and attachments from your 2018-19 technology plan in ASSIST into eProve diagnostics.

- 1. Access your 2018-19 plan from ASSIST
- 2. Attach the following documents into eProve diagnostics:
 - Technology Inventory (Update and use the inventory spreadsheet from 2018-19)
 - The Goals and Plans for your Technology Plan
 - The Assurance Document
 - Virtual School Policy
 - Data Governance Policy and Procedure

For additional assistance, please contact the Cognia help desk at 1.888.413.3669.
