This Special Statewide Application Event is Being Held October 17-21

Alabama College Application Week was started ten years ago to increase the overall number of students in our state applying to, and ultimately enrolling in, postsecondary education.

The *Cash for College FAFSA initiative*, *Alabama College Application Week*, and the *Alabama College and Career Decision Day* were combined into a single campaign (Alabama Goes to College) to help more K-12 students apply to college early and complete their FAFSA applications.

A key goal is to increase the number of young people, especially first-generation and low-income students, pursuing college degrees or higher education credentials.
