ALABAMA STUDENTS APPLYING TO COLLEGE THIS WEEK WITH NO FEES!

This Special Statewide Application Event is Being Held February 27 – March 5, 2022

Montgomery, Ala. – This week, high school students will have the opportunity to participate in our *Spring 2022 College Application Campaign* on February 27–March 5.

This is an extension of the wonderful college application event that was held this past October, for thousands of Alabama high school seniors.

“During our recent college application campaign held in October, we had over 25,000 seniors across the state apply to colleges and universities. Due to the success of this campaign, colleges and universities throughout the country have agreed to host another event for students,” said Alabama College Application Campaign (ALCAC) Coordinator, Dr. Monica P. Mack. “Students that did not apply to a college or university during the initial campaign are encouraged to participate in this event.”

Alabama College Application Week was started nine years ago to increase the overall number of students in our state applying to, and ultimately enrolling in, postsecondary education.

The *Cash for College FAFSA initiative* and *Alabama College Application Week* were combined into a single campaign (*Alabama Possible*) to help more K-12 students apply to college early and complete their FAFSA applications.

A key goal of this initiative is to increase the number of young people, especially first-generation and low-income students, pursuing college degrees.
