- (2) EXECUTIVE SESSION. That portion of a meeting of a governmental body from which the public is excluded for one or more of the reasons prescribed in [Section 36-25A-7\(a\)](#).
- (3) GENERAL REPUTATION AND CHARACTER. Characteristics or actions of a person directly involving good or bad ethical conduct, moral turpitude, or suspected criminal activity, not including job performance.
- (4) GOVERNMENTAL BODY. All boards, bodies, and commissions of the executive and legislative departments of the state or its political subdivisions or municipalities which expend or appropriate public funds; all multimember governing bodies of departments, agencies, institutions, and instrumentalities of the executive and legislative departments of the state or its political subdivisions or municipalities, including, without limitation, all corporations and other instrumentalities whose governing boards are comprised of a majority of members who are appointed or elected by the state or its political subdivisions, counties, or municipalities; and all quasi-judicial bodies of the executive and legislative departments of the state and all standing, special, or advisory committees or subcommittees of, or appointed by, the body. 3. The gathering, whether or not it was prearranged, of a quorum of a governmental body or a quorum of a committee or a subcommittee of a governmental body during which the members of the governmental body deliberate specific matters that, at the time of the exchange, the participating members expect to come before the body, committee, or subcommittee at a later date.

b. The term “meeting” shall not include:

§ 36-25A-3. Notice requirements.

Currentness

(a) Unless otherwise specified by law and as provided herein, any governmental body subject to this chapter, except for an advisory board, advisory commission, advisory committee, task force, or other advisory body created solely to make recommendations on public policy issues and composed of persons who do not receive compensation for their service from public funds, shall post notice of all meetings, as defined in [Section 36-25A-2\(6\)a.1.](#), at least seven calendar days prior to the meeting as follows:

(1) The respective houses of the Alabama Legislature shall develop rules consistent with the Constitution of Alabama of 1901, providing for access to and prior notice of all sessions and standing committee and standing subcommittee meetings and all meetings of permanent and joint legislative committees.

(2) Any governmental body with statewide jurisdiction shall submit notice of its meeting to the Secretary of State. The Secretary of State shall post the notice on the Internet for at least seven calendar days prior to the day of the meeting. The Secretary of State shall also send electronic mail notifications to anyone who has registered with the Secretary of State to receive notification of meetings. The Secretary of State may promulgate reasonable rules and regulations necessary for the uniform receipt and posting of notice and of registration for electronic mail notification. The Secretary of State shall provide during regular office hours a computer terminal at a place convenient to the public in the office of the Secretary of State that members of the public may use to view notices of meetings posted by the Secretary of State. Any governmental body with less than statewide jurisdiction may also submit notice to the Secretary of State for posting on the website. Nothing shall prevent a governmental body subject to this subsection from posting notice in any additional manner.

(3) A municipal governmental body shall post notice of each meeting on a bulletin board at a place convenient to the public in the city hall, provided, however, that a corporation a majority of whose governing board is appointed or elected by a municipality and that has a principal office separate from the city hall may, in lieu of posting notice in the city hall, post notice of each meeting on a bulletin board at a place convenient to the public in the principal office of the corporation or other instrumentality.

(4) A local school board shall post notice of each meeting on a bulletin board at a place convenient to the public in the central administrative office of the board.

(5) Any other governmental body shall post notice of each meeting in a reasonable location or shall use a reasonable method of notice that is convenient to the public. Any change of the location or method for posting notices of meetings shall not take effect until the change has been approved at an open meeting by the members of the governmental body and announced to the public at an open meeting.

(6) If practicable, a governmental body other than those with statewide jurisdiction, in addition to the posting requirements, shall provide direct notification of a meeting, as defined in [Section 36-25A-2\(6\)a.](#), to any member of the public or news media covering that governmental body who has registered with the governmental body to receive notification of meetings. A governmental body may promulgate reasonable rules and regulations necessary for the uniform registration and payment for direct notice and for the distribution of the notices. The governmental body may choose to transmit a notice using electronic mail, telephone, facsimile, the United States Postal Service, or any other method reasonably likely to provide the requested notice. The actual cost of issuing notices, if there is one, may be required to be paid in advance by the person requesting notice by the governmental body. Direct notice to persons who have registered with the governmental body shall, at a minimum, contain the time, date, and place of the meeting.

(b) Unless otherwise specified by law directly applicable to the governmental body, notice of a meeting, as defined in [Section 36-25A-2\(6\)a.2.](#) and 3. as well as meetings called pursuant to [Section 11-43-50](#) shall be posted as soon as practicable after the meeting is called and in no event less than 24 hours before the meeting is scheduled to begin, unless such notice (i) is prevented by emergency circumstances requiring immediate action to avoid physical injury to persons or damage to property; or (ii) relates to a meeting to be held solely to accept the resignation of a public official or employee. In such situations, notice shall be given as soon as practical, but in no case less than one hour before the meeting is to begin. At the same time general notice is given, special notice shall be directed to any person who has registered to receive direct notices pursuant to the provisions of subsection (a)(6).

(c) Posted notice pursuant to this section shall include the time, date, and place of meeting. If a preliminary agenda is created, it shall be posted as soon as practicable in the same location or manner as the notice given pursuant to this section. A governmental body may discuss at a meeting additional matters not included in the preliminary agenda. If a preliminary agenda is not available, the posted notice shall include a general description of the nature and purpose of the meeting.

(d) County commissions which provide proper notice in conformance with [Section 11-3-8](#) shall not be required to comply with subsections (a), (b), and (c) of this section, nor shall committees or subcommittees of such commissions so long as the committees also comply with the notice procedures applicable to the full commission in [Section 11-3-8](#).

(e) Governmental bodies may give, but shall not be required to give, notice of quasi-judicial or contested case hearings which could properly be conducted as an executive session under this chapter or existing state law.

(f) A governmental body is authorized, but not required, to provide notice in addition to that specified in this section and to provide notice for gatherings which are not meetings as defined in [Section 36-25A-2\(6\)](#).

Chapter 25A. Alabama Open Meetings Act. (Refs & Annos)

Ala.Code 1975 § 36-25A-7

§ 36-25A-7. Executive sessions.

Currentness

(a) Executive sessions are not required by this chapter, but may be held by a governmental body only for the following purposes:

(1) To discuss the general reputation and character, physical condition, professional competence, or mental health of individuals, or, subject to the limitations set out herein, to discuss the job performance of certain public employees. However, except as provided elsewhere in this section, discussions of the job performance of specific public officials or specific public employees may not be discussed in executive session if the person is an elected or appointed public official, an appointed member of a state or local board or commission, or a public employee who is one of the classification of public employees required to file a statement of economic interests with the Alabama Ethics Commission pursuant to [Section 36-25-14](#). Except as provided elsewhere in this section, the salary, compensation, and job benefits of specific public officials or specific public employees may not be discussed in executive session.

(2) When expressly allowed by federal law or state law, to consider the discipline or dismissal of, or to hear formal written complaints or charges brought against a public employee, a student at a public school or college, or an individual, corporation, partnership, or other legal entity subject to the regulation of the governmental body.

(3) To discuss with their attorney the legal ramifications of and legal options for pending litigation, controversies not yet being litigated but imminently likely to be litigated or imminently likely to be litigated if the governmental body pursues a proposed course of action, or to meet or confer with a mediator or arbitrator with respect to any litigation or decision concerning matters within the jurisdiction of the governmental body involving another party, group, or body. Prior to voting to convene an executive session under this exception the governmental body shall receive a written opinion or oral declaration reflected in the minutes from an attorney licensed to practice law in Alabama that this exception is applicable to the planned discussion. Such declaration shall not otherwise constitute a waiver of the attorney-client privilege. Notwithstanding the foregoing, if any deliberation begins among the members of the governmental body regarding what action to take relating to pending or threatened litigation based upon the advice of counsel, the executive session shall be concluded and the deliberation shall be conducted in the open portion of the meeting or the deliberation shall cease.

(4) To discuss security plans, procedures, assessments, measures, or systems, or the security or safety of persons, structures, facilities, or other infrastructures, including, without limitation, information concerning critical infrastructure, as defined by federal law, and critical energy infrastructure information, as defined by federal law, the public disclosures of which could reasonably be expected to be detrimental to public safety or welfare. Provided, however, that when the discussion involves critical infrastructure or critical energy infrastructure information, the owners and operators of such infrastructure shall be given notice and an opportunity to attend the session.

(5) To discuss information that would disclose the identity of an undercover law enforcement agent or informer or to discuss the criminal investigation of a person who is not a public official in which allegations or charges of specific criminal

misconduct have been made or to discuss whether or not to file a criminal complaint. Provided, however, that prior to such discussions a law enforcement officer with authority to make an arrest or a district or assistant district attorney or the Attorney General or assistant attorney general shall advise the governmental body in writing or by oral declaration entered into the minutes that the discussions would imperil effective law enforcement if disclosed outside of an executive session.

(6) To discuss the consideration the governmental body is willing to offer or accept when considering the purchase, sale, exchange, lease, or market value of real property. Provided, however, that the material terms of any contract to purchase, exchange, or lease real property shall be disclosed in the public portion of a meeting prior to the execution of the contract. If an executive session is utilized pursuant to this exception in addition to the members of the governmental body, only persons representing the interests of the governmental body in the transaction may be present during the executive session. This real property discussion exception shall not apply if:

- a. Any member of the governmental body involved in the transaction has a personal interest in the transaction and attends or participates in the executive session concerning the real property.
- b. A condemnation action has been filed to acquire the real property involved in the discussion.

(7) To discuss preliminary negotiations involving matters of trade or commerce in which the governmental body is in competition with private individuals or entities or other governmental bodies in Alabama or in other states or foreign nations or to discuss matters or information of the character defined or described in the Alabama Trade Secrets Act. Provided, however, that prior to such discussions a person involved in the recruitment or retention effort or who has personal knowledge that the discussion will involve matter or information of the character defined or described in the Alabama Trade Secrets Act advises the governmental body in writing or by oral declaration entered into the minutes that the discussions would have a detrimental effect upon the competitive position of a party to the negotiations or upon the location, retention, expansion, or upgrading of a public employee or business entity in the area served by the governmental body if disclosed outside of an executive session, or would disclose information protected by the Alabama Trade Secrets Act.

(8) To discuss strategy in preparation for negotiations between the governmental body and a group of public employees. Provided, however, that prior to such discussions a person representing the interests of a governmental body involved in such negotiations advises the governmental body in writing or by oral declaration entered into the minutes that the discussions would have a detrimental effect upon the negotiating position of the governmental body if disclosed outside of an executive session.

(9) To deliberate and discuss evidence or testimony presented during a public or contested case hearing and vote upon the outcome of the proceeding or hearing if the governmental body is acting in the capacity of a quasi-judicial body, and either votes upon its decision in an open meeting or issues a written decision which may be appealed to a hearing officer, an administrative board, court, or other body which has the authority to conduct a hearing or appeal of the matter which is open to the public.

(b) A governmental body desiring to convene an executive session, other than to conduct a quasi-judicial or contested case hearing, shall utilize the following procedure:

- (1) A quorum of the governmental body must first convene a meeting as defined in [Section 36-25A-2\(6\)a.1](#) and 2.

(2) A majority of the members of the governmental body present must adopt, by recorded vote, a motion calling for the executive session and setting out the purpose of the executive session, as provided in subsection (a). If subsection (a) requires an oral or written declaration before the executive session can begin, such oral or written declaration shall be made, prior to the vote.

(3) The vote of each member shall be recorded in the minutes.

(4) Prior to calling the executive session to order, the presiding officer shall state whether the governmental body will reconvene after the executive session and, if so, the approximate time the body expects to reconvene.

Chapter 25A. Alabama Open Meetings Act. (Refs & Annos)

Ala.Code 1975 § 36-25A-9

§ 36-25A-9. Enforcement; hearings; penalties and remedies.

Currentness

(a) Enforcement of this chapter may be sought by civil action brought in the county where the governmental body's primary office is located by any media organization, any Alabama citizen, the Attorney General, or the district attorney for the circuit in which the governmental body is located; provided, however, that no member of a governmental body may serve as a plaintiff in an action brought against another member of the same governmental body for an alleged violation of this chapter. The complaint shall be verified, shall state specifically the applicable ground or grounds for the complaint as set out in subdivisions (1) through (4) of subsection (b), and shall name in their official capacity all members of the governmental body remaining in attendance at the alleged meeting held in violation of this chapter. Members of a governmental body who are named as a defendant in a complaint under this chapter shall serve an initial response to the complaint within seven business days of personal service of the complaint. A preliminary hearing on the complaint filed shall be held no later than 10 business days after the date of the filing of the defendant or defendants' initial response to the complaint or, if no response is filed, no later than 17 business days after the filing of the complaint, or on the nearest day thereafter as the court shall fix, having regard to the speediest possible determination of the cause consistent with the rights of the parties.

(b) In the preliminary hearing on the complaint, the plaintiff shall establish by a preponderance of the evidence that a meeting of the governmental body occurred and that each defendant attended the meeting. Additionally, to establish a prima facie case the plaintiff must present substantial evidence of one or more of the following claims:

- (1) That the defendants disregarded the requirements for proper notice of the meeting pursuant to the applicable methods set forth in [Section 36-25A-3](#).
- (2) That the defendants disregarded the provisions of this chapter during a meeting, other than during an executive session.
- (3) That the defendants voted to go into executive session and while in executive session the defendants discussed matters other than those subjects included in the motion to convene an executive session as required by [Section 36-25A-7\(b\)](#).
- (4) That, other than a claim under subdivisions (1) through (3), the defendants intentionally violated other provisions of this chapter.

(c) If the court finds that the plaintiff has met its initial burden of proof as required in subsection (b) at the preliminary hearing, the court shall establish a schedule for discovery and set the matter for a hearing on the merits. If, at the preliminary hearing, the plaintiff has presented its prima facie case that an executive session appears to have been improperly conducted as set out in subsection (b)(3), the defendants shall bear the burden of proof at the hearing on the merits to prove by a preponderance of the evidence that the discussions during the executive session were limited to matters related to the subjects included in the motion to convene an executive session required in [Section 36-25A-7\(a\)](#).

(d) During a proceeding involving claims brought under subsection (b)(3), the court shall conduct an in camera proceeding or adopt another procedure as necessary to protect the confidentiality of the matters discussed during the executive session, and if there is a determination that the executive session was authorized by this chapter, the matters shall not be disclosed or utilized in any other legal proceeding by any individual or attorney who attends the in camera portion of the proceedings.

(e) Upon proof by a preponderance of the evidence of a defendant's violation of this chapter, the circuit court shall issue an appropriate final order including, if appropriate, a declaratory judgment or injunction. Prior to a final determination of the merits, temporary restraining orders or preliminary injunctions may be issued upon proper motion and proof as provided and required in the Alabama Rules of Civil Procedure. A final order on the merits shall be issued within 60 days after the preliminary hearing unless a longer period is consented to by all parties and the court.

(f) The court may invalidate the action or actions taken during a meeting held in violation of this chapter, provided that the complaint is filed within 21 days of the date when the action is made public, the violation was not the result of mistake, inadvertence, or excusable neglect, and invalidation of the governmental action taken would not unduly prejudice third parties who have changed their position or taken action in good faith reliance upon the challenged action of the governmental body; provided further, however, that any action taken at an open meeting conducted in a manner consistent with this chapter shall not be invalidated because of a violation of this chapter which occurred prior to such meeting.

(g) A final order issued against a defendant shall state specifically upon which claim or claims in subdivisions (1) through (4) of subsection (b) the ruling is based. For each meeting proven to be held in violation of this chapter for one or more reasons, the court shall impose a civil penalty. The maximum penalty for each meeting shall not exceed one thousand dollars (\$1,000) or one half of the defendant's monthly salary for service on the governmental body, whichever is less. With regard to claims related to improper discussions during executive sessions, monetary penalties may only be assessed against defendant members of a governmental body who voted to go into an executive session and who remained in the executive session during a discussion determined by the court not to have been authorized by this chapter. Penalties imposed against a member of a governmental body found to have acted in violation of this chapter shall not be paid by nor reimbursed to the member by the governmental body he or she serves.

(h) A governmental body is authorized to pay for or provide for the legal expenses of present or former members of the body named as defendants in a proceeding under this chapter.
