Greene County Career Center	Willie Gilmore
Greene County Career Center	Dexter Hinton
Limestone Career Technology Center	Glennis Black
Monroe County Career/Technical Center	Jiveta Williams
Morgan County Schools Technology Park	Glenn Winton
Shelby College and Career Center	James Hill

## Alabama SkillsUSA Association Fact Sheet

### *“Champions at Work”*

Alabama SkillsUSA is a partnership of students, teachers, and industry representatives, working together to ensure America has a skilled workforce. It helps each student excel. SkillsUSA is a national nonprofit organization serving teachers and high school and college students who are preparing for careers in trade, technical, and skilled service occupations. It was formerly known as VICA (Vocational Industrial Clubs of America). Chartered in 1969, SkillsUSA has a very proud Alabama heritage.

**Membership:** During 2018-19 the on-time membership for Alabama SkillsUSA is **19,555** high school and college members. This places Alabama as the **5th** highest state in High School Membership and College membership nationally and the highest membership on record in Alabama history.

**Mission:** SkillsUSA is an applied method of instruction for preparing America’s high-performance workers in public career and technical programs. It provides quality education experiences for students in leadership, teamwork, citizenship, and character development. It builds and reinforces self-confidence, work attitudes, and communications skills. It emphasizes total quality at work: high, ethical standards; superior work skills; lifelong education; and pride in the dignity of work. SkillsUSA also promotes understanding of the free-enterprise system and involvement in community service.

**Partners:** Currently, alumni, teachers, and school administrators serve as professional SkillsUSA members and instructors. More than 100 business, industry, and labor sponsors actively support SkillsUSA at the state level through financial aid, in-kind contributions, and involvement of their people in SkillsUSA activities. Many more work directly with schools and local chapters.

**Programs:** Alabama SkillsUSA programs include local, state, and national competitions in which students demonstrate technical, occupation, and leadership skills. At the annual national-level SkillsUSA Championships, over 6,000 students compete in 94 occupational and leadership skill areas. More information about the Alabama State Conference and Championships is provided in this document. SkillsUSA programs also help to establish industry standards for job skill training in the lab and classroom and promote community service. SkillsUSA is recognized by the U.S. Department of Education and is cited as a "successful model of employer-driven youth development training program" by the U.S. Department of Labor.

This **State Conference and Championships** is the showcase event of the year for the best technical students in Alabama. Many contests begin locally and continue to the state and national levels. This is an extravaganza that takes up the entire East Hall of the Convention Center. In 2018, there were over 2,000 participants in 88 separate events. Nearly 300 judges and contest organizers from labor and management made the state event possible. The philosophy of the Championships is to reward students for excellence, to involve industry in directly evaluating student performance, and to keep training and education relevant to employer needs, education, and student career development. Program credibility is achieved through the use of nationally recognized industry standards.

The business and industry friends of Alabama SkillsUSA are important to us. We are very appreciative and fortunate to have you as a friend and partner. The partnership with business, industry, and education is critical to the professional and skill development of Alabama's career and technical education students. Thank you for joining with us as we strive to make technical education students in Alabama examples of SkillsUSA's 2019 theme, **"Champion at Work: Career Ready-Starts Here"**. You play an important part in helping SkillsUSA students continue to have the opportunity to demonstrate their knowledge and develop skills. Again, thank you for your support of the Alabama SkillsUSA Association.

# WORLDS OF WORK

At SkillsUSA

## Come out to Worlds of Work at SkillsUSA

on April 16th and 17th, 2019 in the BJCC North Hall! Presented by Central Six Alabama Works!, AIDT, and SkillsUSA, this exciting, interactive event is designed to engage students like you with high-demand, high-wage careers within our region. This unique career expo connects you with industry in six "Worlds of Work" including Manufacturing, Construction, Information Technology & Media, Healthcare & Public Safety, Finance & Insurance, and Hospitality & Tourism. You are welcome to join us and explore these worlds between 9:00 AM and 3:00 PM either day.

For our SkillsUSA competitors specifically, we would like to invite you to the

### **"MEET THE EMPLOYER" BREAKFAST**

on Wednesday, April 17th from 7:00 AM to 8:15 AM in the North Hall, right before the SkillsUSA closing ceremony. This event is for SkillsUSA competitors and their instructors to connect with employers directly in a time set aside just for you!

Breakfast is FREE and our companies are excited to talk to you about opportunities for employment. Please register at <https://blt.ly/2NVTHMu> if you plan to attend.

*We hope you can join us!*

Presented by:

# 2018-2019 Theme

## Motto

**Preparing for leadership in the world of work.**

## Pledge

**Upon my honor, I pledge:**

To prepare myself by diligent study and ardent practice to become a worker whose services will be recognized as honorable by my employer and fellow workers.

To base my expectations of reward upon the solid foundation of service.

To honor and respect my vocation in such a way as to bring repute to myself.

And further, to spare no effort in upholding the ideals of SkillsUSA.

## SkillsUSA Creed

**I believe in the American way of life**

I know our culture is the result of freedom of action and opportunities won by the founders of our American republic, and I will uphold their ideals.

**I believe in education**

I will endeavor to make the best use of knowledge, skills and experience that I will learn in order that I may be a better worker in my chosen occupation and a better citizen in my community. To this end, I will continue my learning now and in the future.

**I believe in fair play**

I will, through honesty and fair play, respect the rights of others. I will always conduct myself in the manner of the best professionals in my occupation and treat those with whom I work as I would like to be treated.

**I believe satisfaction is achieved by good work**

I feel that compensation and personal satisfaction received for my work and services will be in proportion to my creative and productive ability.

The Alabama State Board of Education and the Alabama State Department of Education do not discriminate on the basis of race, color, disability, sex, religion, national origin, or age in its programs, activities, or employment and provide equal access to the Boy Scouts and other designated youth groups. The following person is responsible for handling inquiries regarding the non-discrimination policies: Title IX Coordinator, Alabama State Department of Education, P.O. Box 302101, Montgomery, AL 36130-2101, telephone (334) 242-8165.
