Instructions:

- Funds Available** should include original allocation, plus or minus any funds transferred in accordance with the transferability provisions of NCLB. For carryover funds, include the approved carryover amount, including pennies.
- Expenditures per GPFS file** should include actual expenditures, not including transfers out that were made in accordance with the transferability provisions of NCLB, that were made from the total funds available in the appropriate fund source.
- Unexpended Balance** should be the Funds Available less Expenditures reported in (2). If these funds are eligible for carryover, they may be retained for expenditure in FY21, pending budget approval. If funds are not eligible for carryover, please include any refunds due to the SDE with your General Purpose Financial Statement submission. Approval cannot be given for the GPFS until all refunds due have been received. Refunds to the SDE should be paid by a debit to the appropriate revenue code and a credit to cash.
