MEMORANDUM

TO: City and County Superintendents of Education

FROM: Eric G. Mackey *EGM*
State Superintendent of Education

SUBJECT: 2021-2022 Alabama Association of Colleges for Teacher Education Surveys

The Alabama State Department of Education (ALSDE), Office of Teaching and Leading, is soliciting stakeholder feedback for the 2021-2022 Survey for Employers of New Teachers and its companion survey, the 2021-2022 Survey for In-Service Teachers. Both surveys will be launched on Monday, March 21, 2022, and will run through Thursday, April 28, 2022. The surveys were developed by the Alabama Association of Colleges for Teacher Education (ALACTE).

The purpose of the surveys is to provide feedback for continuous improvement of educator preparation providers (EPPs) in Alabama. Also, the annual ALACTE survey results are used to prepare the annual EPP Report Card. Results from the survey will be reported in aggregate form only. Teachers and employers will not be identified in the results. An Executive Summary of aggregated statewide results will be created and shared by the ALSDE. Last year, there was a good response rate for the surveys, and we hope for a better response rate this year. The survey links are attached for easy access.

If you have any questions regarding any of the surveys, please contact Dr. Patience N. Oranika at (334) 694-4714 or via email at poranika@alsde.edu.
