Greetings:

In Alabama, we recognize that our children are our future. It is vitally important to me that Alabama children are given the tools they need to be successful in life and the opportunity to learn and grow in a safe environment.

I applaud Camille Place for their efforts to educate our students on the dangers of sexting and sextortion and its work to combat human trafficking and sexual exploitation of minors falls in line with Camille Place's mission.

Camille Place has my fullest and absolute support.

Sincerely,
