RFP ALSDE 2023-04
Alabama State Department of Education,
Support Services/Charter Schools

Section 1.00 Administrative Overview

1.1 Purpose and Background

Purpose:

The Alabama State Department of Education (ALSDE) is issuing a request for proposal for qualified individual(s) to assist the Alabama Public Charter School Commission (APCSC) in its role as an authorizer in evaluation charter school applications in three areas: academic, organizational and financial. The APCSC receives submitted charter school applications in December and must make a decision for approval or denial in February. The next cycle applications are received in March and a decision must be made in May. The number of applications submitted cannot be determined until submission; therefore, an estimated cost per application is necessary.

The ALSDE on behalf of the Commission is interested in reviewers from various backgrounds with professions such as educators, school administrators, and other experts with public schools, charter schools, and alternative school knowledge. The most qualified applicant will have expertise on continuous improvement, performance standards, organizational innovation, school policy, and/or prior experience conducting application evaluations. The individual(s) must have the necessary expertise and demonstrated experience pursuant to the RFP in providing the reviews. The contract will be awarded to the prospective possible vendor who meets the specifications herein, exhibits an established history of providing this type of technical experience in a satisfactory manner, and proposes the services at a reasonable price.

Background:

The Alabama Public Charter School Commission (APCSC) serves as a charter school authorizer. Charter school authorizers are responsible for evaluating the quality of charter school applications, maintaining high performance, upholding school autonomy, and protecting student and public interest. They have established standards for school performance, and this performance framework is part of the charter school contract.
