ALABAMA JAG 2024 NATIONAL CONFERENCE RESULTS

Montgomery, Ala. – In April, the 3rd Annual Jobs for America’s Graduates National Career Development Conference (NCDC) was held in St. Louis, Missouri.

It is the pinnacle experience for JAG student members to demonstrate their skills, explore career options, connect with employers, and create pathways for their futures as members of the JAG Career Association.

Alabama is a member of the Jobs for America’s Graduates Council of State Affiliates that is represented by 39 States and the Virgin Islands.

Alabama JAG students shined brightly at the NCDC Competitive Events program, delivering impressive performances across more than a dozen categories from Outstanding Chapter to individual and team competitions.

Alabama students were able to benchmark their skills and abilities against students nationwide and showed their expertise in Business Plan, Career Preparation, Creative Decision Making, Financial Literacy, NCA Knowledge Bowl, and Prepared Speaking.
