Stephanie Bell
District III

The [Alabama Administrative Code Chapter 290-8-8](#) requires all Specialized Treatment Centers (STC) licensed or certified by other state or federal agencies serving Alabama students PreK-12 must obtain an Educational Endorsement of Operation from the Alabama State Department of Education (ALSDE) prior to receiving any appropriation from the Education Trust Fund (ETF).

For the upcoming 2024-2025 academic school year, the ALSDE is requiring each STC to complete and submit a new endorsement application through [Anvilar](#) (previously ExacTier) to ensure that we have a valid application of Educational Endorsement of Operation for each current operational STC. The application **submission deadline to the ALSDE is August 15, 2024**. Once the application is approved, the certificate of endorsement must be displayed on-site and is valid for three years. The certificate of Educational Endorsement of Operation will be provided to each endorsed STC by the ALSDE.
