**Professional Certificate following the Provisional Certificate in a Teaching Field (PCTF) Approach**

**FORM PFA**

A complete application packet must be received in the Educator Certification Section no later than **October 1 of the calendar year**, during which the four-year window ends. An applicant’s four-year window begins the scholastic year for which the 1<sup>st</sup> PCTF is issued (i.e. The 1<sup>st</sup> PCTF was issued the 2023-2024 scholastic year, the four-year window expires the 2026-2027 scholastic year.) The application process **must be completed in conjunction with an employing Alabama county/city superintendent or administrator of an eligible nonpublic/private school.**

All requirements for issuance of the Professional Educator Certificate must be met prior to the **October 1 expiration** date of the four-year window.

The Professional Educator Certificate will be issued in the same teaching field and at the grade level for which the PCTF(s) were issued.

Beginning with the 2022-2023 scholastic year, the Provisional Certificate in a Teaching Field (PCTF) approach no longer requires an applicant to earn three full scholastic years of experience while holding each PCTF. At least one full year of full-time teaching experience is required while holding the PCTF. To consider this option, see the requirements contained herein.
