MEMORANDUM

TO: City and County Superintendents of Education
FROM: Eric G. Mackey *EGM*
State Superintendent of Education
RE: Fiscal Year (FY) 2025 Allocations for Summer Reading Camps and Before-/After-School Tutoring

The Alabama State Department of Education (ALSDE) is committed to providing support for Summer Reading Camps that are to be offered, at a minimum, to all K-3 students identified with a reading deficiency per the *Alabama Literacy Act* (ALA). Funds appropriated by the State Legislature in support of the Alabama Reading Initiative (ARI), will be utilized for Summer Reading Camps and before-/after-school tutoring for literacy attainment. All funds should be utilized for personnel, professional development, transportation, instructional materials, or partnership with outside agencies/community support for instructional activity integration. Funds must be expended by September 30, 2025. For purposes other than these items, you must contact the Alabama Reading Initiative prior to usage. Further details for the usage of each set of funds are as follows:

A. Alabama Summer Achievement Program (ASAP)

As stated in the ALA, a fully funded Alabama Summer Achievement Program will be available to all K-3 students in public elementary schools that are among the lowest-performing five percent of elementary schools. Each school will receive a per-pupil allocation based on the number of students enrolled in Grades K-3 according to the 2023-2024 ADM. Each school will also receive a base amount, plus teacher salaries based on the number of students scoring below the lowest achievement level on a board-approved assessment in reading administered in spring 2024. Funds will be distributed in January 2025 (1/2 total), April 2025 (1/4 total), and June 2025 (1/4 total). The fund source is 2901.

B. Summer Reading Camps

Each local education agency (LEA) shall provide summer reading camps to all K-3 students identified with a reading deficiency. Funds appropriated in excess of the amount needed to fully fund an ASAP are divided based on a per-pupil allocation and distributed by the ALSDE to support high-quality summer camps at schools that are not among the lowest five percent of performing schools. Each LEA will receive funds based on a per-pupil allocation of the number of students scoring below the lowest achievement level on the board-approved ACAP assessment in reading during the spring 2024 test administration window. Funds will be distributed in January 2025 (1/2 total), April 2025 (1/4 total), and June 2025 (1/4 total). The fund source is 1774.

C. Before-/After-School Tutoring

Each LEA shall provide before- and/or after-school tutoring with increased attention to third-grade students identified with a reading deficiency on the board-approved ACAP assessment in reading during the spring 2024 test administration window. Each LEA will receive funds based on a per-pupil allocation based on the number of students showing a deficiency in reading on the end-of-second grade board-approved ACAP assessment administered in spring 2024. Any excess funds can also be utilized for current K-2 students identified with a reading deficiency. Funds will be distributed in December 2024 (1/2 total) and April 2025 (1/2 total).

The total allocations for the ASAP (if applicable), Summer Reading Camps, and Before-/After- School Tutoring are attached with funding codes.

Requirements for funding:

1. Complete the [ARI Summer Reading Camp FY25 form](#) once you have determined how funds will be budgeted for summer reading camps by November 8, 2024.
2. Complete the [Before-/After-School Tutoring form](#) once you have determined how funds will be budgeted for before-/after-school tutoring by November 8, 2024.
3. Funds may only be budgeted and utilized for personnel, professional development, transportation, instructional materials, and/or partnership with outside agencies/community support for instructional activity integration.
4. Use PowerSchool Student Analytics and Insights to record all fields of the Student Reading Improvement Plan (SRIP) and intervention fields for each student for both summer reading camps and before-/after-school tutoring.
