Disclaimer: All material scores represent collaborative work by the Alabama State Textbook Review Committee and should not be attributed to any single person, the ALSDE, SBOE, etc.

Please note the following:

- *Alignment to High-Quality Instructional Materials characteristics were embedded in the scoring rubric.*
- *A **comprehensive textbook/program** is defined as one that meets the standards outlined in the 2023 Alabama Courses of Study for Science, Grades K-12.*
- *A **supplemental textbook/program** is used to support and extend the critical elements of a comprehensive textbook/program. A supplementary textbook/program is not sufficient to be used as the primary resource for a particular grade or course.*
